CHECK YOUR CALENDAR NOW!!!!

APRIL 29, 2006 / 8:30 A.M. – 5:00 P.M.

\$40.00

Mrs. Sickmiller will be holding an American Red Cross Community Safety First Aid class at the Red Cross Chapter House on Center Street.

After completing the class and passing the tests, you will be certified in Adult, Child, & Infant CPR and First Aid. The Red Cross is changing requirements for the CPR classes this spring, so if you take this class and want to remain certified, you will have to take the complete CPR classes next year. CPR certifications are good for one year, while the First Aid certifications are good for 3 years.

Lunch will be provided by the troop.

After taking this course you will only need to do a few extra requirements to get your 1<sup>st</sup> Aid Merit Badge. Please see Mrs. Sickmiller concerning this.

Please return the form below with the appropriate course checked and with the payment by February 20<sup>th</sup>.

If you are currently certified in CPR by the American Red Cross, you will have to take the complete course beginning this spring to remain certified.
