

BOY SCOUT TROOP 586
SHOOTING WEEKEND
MAY 4, 5, & 6, 2007
Ashland Co. Wildlife
& conservation farm
\$13.00

Good time to practice your Rifle and Shotgun Merit Badge requirements or just have fun working on your skills in this area. The requirements for Rifle and Shotgun Merit Badges are included with this email and will be posted on the troop's website.

We will have a demonstration of muzzleloading and shooting by the "New Frontiersmen", a group of black powder rifle re-enactors in the afternoon.

In return for using the property we will be doing a service project for the farm.

We leave from the church at 6:00 p.m. on Friday, returning at 11:45 a.m. on Sunday.

Sign ups are due by **Monday, April 23rd**, at the meeting, to your patrol leader.

We realize that this is the "Spring Art Show" in Ashland City Schools, which is why we are camping so close to home. Scouts are encouraged to come to the campout and participate as the Art Show schedule allows.
