

Boy Scout Troop 586

June 1-3, 2012

Stone Lab Campout

From the Stone Lab website (<http://stonelab.osu.edu/tripsandtours/>):

"For nearly 30 years, Stone Lab's Aquatic Science Field Trip Program has given students in grades 4-12 and adults an opportunity to become Lake Erie scientists for a day. Participants venture out on a research vessel, peer through microscopes, and dissect fish as they get out in the field to experience the natural world."

This will be one of our more expensive campouts, and to keep the costs reasonable we need to make sure we will have at least 20 people attending. We also need to know soon if we will not have enough people attending so we need your commitment to go by February 13.

The campout is scheduled for June 1-3, 2012. The troop will be covering the cost of the ferry ride and the campground, but that will still leave a cost of \$100/person to attend the campout.

If you are going to attend the campout you need to **turn the attached sign-up form and the first \$50 in to Mrs. Kelley by Monday, February 13th**. If we do not have at least 20 people signed up by that date we will cancel the Stone Labs and plan something else for June. If we have to cancel, any funds turned in will be returned to boy accounts or refunded if requested.

The remaining \$50 will need to be turned in by Monday, April 9th.

Scout Name(s) _____

- Yes, I/we will be attending the Stone Lab campout.
- Please take the \$50.00/scout from my boy account now and \$50 in April
- I have included a check for the first \$50 and will pay the remaining \$50 by April 9th.
- I have included cash for the first \$50 and will pay the remaining \$50 by April 9th.

Adult Name(s): _____

- I am an adult and will be at the campout all weekend, and have included \$50.00 and will pay the remainder by April 9th.
- I can drive for the campout.
