

Troop 586 Summer Market Fundraising Project Sign-up Sheet

June 14, 2010

All scouts and adults should be there by 6:30 a.m. on your work morning to get the coffee going, and set up the tables/our area by the shed – no exceptions. The Market closes at 11:00 a.m. so you should be done by 11:30 a.m. You will need to provide your own chairs, etc. for the table/Market area.

For each Saturday the Troop will provide the pop-ups, tables, sign-making materials, doughnuts, and the coffee, you will need to bring anything else with you such as baked goods, jellies, crafts, seedlings, or anything home-made you think people would want.

The first week is July 10th and it goes through October if we continue to the end (last year we finished at the end of September). We have a lot of scouts going to camping events, so those Saturdays it would be nice to have scouts not going to do the Market but if not we will have adults manning the tables and all proceeds will go to the troop fund.

All money made is split between the scouts working that morning. We need a minimum of two scouts each Saturday, but if more want to work that's ok.
